Ones, Twos and Threes morning programs: You have a choice of signing up for 2, 3 or 5 mornings a week. On your registration form please indicate how many mornings you would like to attend as well as a which days you prefer.

Fours morning program: This year we have returned to a 4 day fours program (Mon-Thurs). A 4 day program provides students the opportunity to attend school four consecutive days, so that there are more opportunities for extended learning activities that may take more than one day. A 4 day program is also a great transition to help prepare students for full day kindergarten. If you have any questions about the 4 day program please see Terry.

Full Day programs: You have a choice of signing up for 2, 3 or 5 days a week. On your registration form please indicate which days your child will be attending each week.
